

THE ALPHABET CIRCLE JOURNEY PLEDGE

It is **Alright** for me to **Breathe** and **Create**. The **Details** I need are on the **Earth**. Everything on my Journey is **Finite**. This means it has a beginning and an end. My **Geography** (location) is essential. I am **Happy** because I have an **Impact**. I am the **Jockey** and **King** on my Journey. I will let **Love** be my **Motive** and take a **No-nonsense** approach to be **Obedient**, show up, and be **Present**. I will leave the **Past** behind. My **Quest** is to find my **River** by tuning in to my **Soul**. I will exhibit **Tolerance** in my **Universe**. My **Veracity** (truth) is the **Window** to the **X-Ray** of my Journey. And **Yes**, I will be **Zealous**!
